

**Product Description**

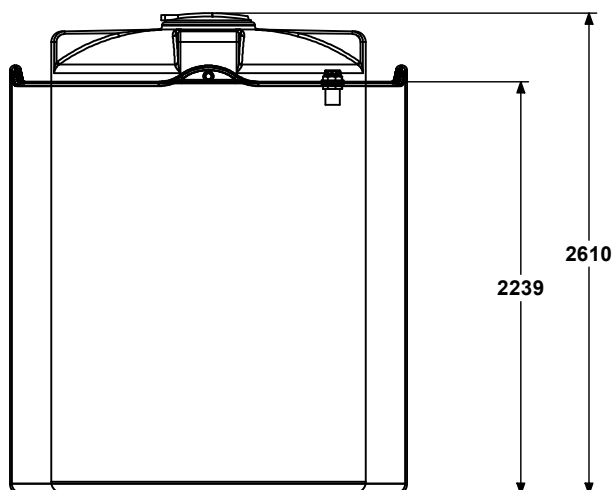

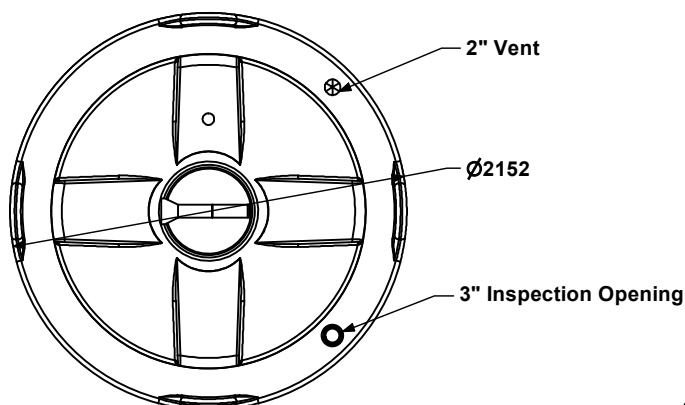

Carbery Plastics Chemical Tanks are designed, manufactured and fully certified to Kiwa BRL-K21008/02 to ensure safe liquid storage for many Chemical applications.

Thanks to an unstressed one piece production process, rotationally moulded products and parts are characterized by excellent resistance properties.

Rotationally moulded products and parts will never rust, rot or corrode and do not require painting.

The vertical design of Carbery Plastics Chemical Tanks optimise space with large storage capacities over low footprint area.

With a team of certified plastic welding technicians and wide range of additional equipment available Carbery Plastics Chemical tanks can be customised to custom specifications.

Technical Data	Value
Volume	5000L
Dimensions D x H	2152mm x 2610mm
Material	MDPE
Unladen Weight	354
Style	Vertical
Cover	382mm Hinged Lid
Inlet Fitting Options	1", 2", 3", 4"
Outlet Fitting Options	1", 2", 3", 4"
Tank Colour	Black
Bund Colour	Black
Standard	Kiwa BRL-K21008/02
