

CARBERY PLASTICS

3,000L UNDERGROUND TANK

PRODUCT REF: UTBK03000L

REV NO: R1

REV DATE: 23/08/2022

Product Description

Carbery Plastics Underground Modular Tanks are designed and manufactured to ensure safe liquid storage.

Thanks to an unstressed one piece production process, rotationally moulded products and parts are characterized by excellent resistance properties.

Rotationally moulded products and parts will never rust, rot or corrode and do not require painting.

The modular construction of Carbery Plastics Underground Tanks allows a versatile range of capacities in 3000L increments.
